

## Sandy Lane Nursery and Forest School- Summer Term 2

Welcome to the last newsletter of this school year, I can't quite believe it's that time already. Lots of our children will be moving on to their reception classes soon and this half term staff will be supporting children for this important transition. It's our aim to provide all our children with a life long love of learning and the strong foundations they will continue to build on as they move through their school journey. We hope that our children and families have created lots of lovely memories of their time at Sandy Lane Nursery and Forest School with friendships made for life, and will always look back on their time here with fondness.

adventure

We also have some staff members leaving us at the end of this half term. Jacqui, who has worked in our school office since we opened, will be retiring. Catherine, Karen and Emily, long term members of our supply staff will also be leaving. I thank all these members of staff for their hard work and dedication to the school and send them very best wishes for the future. We have appointed new members of staff who I will introduce in the newsletter at the start of the new school year.

I would like to thank all the parents, carers, staff and governors for their support of the school this year. Together, as a Sandy Lane family, we all work hard to make our school the best that it can be for the benefit of all our children. If your child is leaving us in September please keep in touch, we love to hear how everyone is getting on at 'big school'. For parents of children who are returning, we know you will continue to work with us next year on our journey to maintain our outstanding nursery. There are lots of ways you can become more involved with the work of our school, joining our Friends of Sandy Lane Parent and Carers group, volunteering in the classroom, office, forest school or with gardening. If you are interested in any of these activities please have a chat with me on the door at drop off or collection.

I wish everyone a safe and enjoyable summer break when it arrives and look forward to seeing some of our families back with us in September.

### Nursery places for September 2022

Do you know any families with children who will be 2 or 3 years old soon and are looking for a nursery place from September? If so please encourage them to register for a place at Sandy Lane by contacting the office in person or by ringing **01925 623640**. Please spread the word to friends, family and neighbours about all the wonderful things we do. **As parents and carers of children already attending you are the best people to share with others just what a special place Sandy Lane is.**

If you are returning to us in September and think you may be eligible for 30 hours free childcare please let us know as soon as possible. If you aren't eligible but would be interested in paying for additional hours please speak to Jacqui or Janet in the office

### Nursery Activities

Garden Room, Sunshine Room and Rainbow Room 'big question' for this half term is

**'How have we changed ?'**

**Celebrations—What have you done to feel proud?**

This half term we will be celebrating all of our children's achievements, however big or small they may seem. We will be encouraging the children to embrace who they are, as wonderful and unique individuals, and also that of their Sandy Lane friends' and families'. Further details of our 'Proud' event and all other activities will be posted on Tapestry so please remember to log in regularly.

**If your child is leaving us at the end of this half term your family is invited to join us for our special leavers celebration on THURSDAY 14TH JULY 4pm—5.30pm**

## Suncream

Please remember to apply sun cream to your child before they arrive at school.

If you feel your child will need more sun cream applying throughout the session, we will require you to bring a new bottle of cream into nursery which is clearly labelled with your child's name.

Please do not forget to indicate via Tapestry that you give consent for staff to apply sun cream in your absence.

## Nursery Uniform

You may wish to consider purchasing a school t-shirt or sweatshirt. These can be ordered using the form available on the website under the 'Parent' and 'New Starters' tabs or pick up a form in the entrance area. Post your completed form in the box by **Monday** and your order will be ready for collection on **Wednesday** each week. If possible please pay for uniform by card, although we can also accept cash payments where necessary.

## Attendance

Following the information about attendance on our last newsletter I'm delighted to share our overall attendance (not including illness). Thank you for your continued support to ensure all our children have the best opportunities to learn and make progress through good attendance.

**Garden Room— 93%**

**Sunshine Room— 93%**

**Rainbow Room— 98%**

Please ring the office on **01925 623640** or text **07415 869045** if your child will not be attending nursery. Thank you for your helping us to improve our attendance rates and keep up the great work!

## School Holidays

**School will close at the end of the day on Thursday 21st July 2022 and re-open on Monday 5th September 2022**

## Snack Payments

The charge for snack can be found on the school website under the 'Parents' then 'New Starters' tabs. Some families choose to pay for the **full school year**, most pay **termly** but you also have the option to pay **half termly**. Charges for this **half term** are **£8 for children attending 15 hours and £12 for those that attend for 30 hours**. These charges are based on ALL parents/carers paying the amount due. Your payment is a contribute to the cost of snack, the rest of which is paid by the school

**Please make your snack payment by card, or cash if necessary, at the office.** You will receive a text message as a reminder when payment is due with the cost to be paid. **All payments are due by the end of the first week of each new half term.**

Please note that if your child is absent, unfortunately we cannot make a refund of any snack payment.

## Being Healthy

Healthy Harry, our school travelling ted, helps children learn about being healthy. He has already paid a visit to lots of families and we love to see your Tapestry posts of his adventures with you at home.

**Healthy Eating**—Throughout this year our school has actively promoted being healthy and healthy eating as part of our school improvement. Parents and carers of children who attend for 30 hours have been given support and advice on healthy suggestions for lunchboxes and some of our families have received fresh healthy produce via Gousto food box donations. We hope you have enjoyed the recipes we've shared on Tapestry too and thank you to everyone who has contributed.

Our website contains lots of information on how you can maintain a healthy lifestyle through physical activity, healthy eating, supporting mental health and well being and good oral hygiene. This information can be found under the 'Parents', 'Keeping Healthy' tabs. There you will also find the link to a range of eBooks and activities which invite children to become familiar with a range of vegetables which we hope will encourage them to want to eat them. Here's the link

**Cooking Together** is a great website where you can sign up for a link to receive healthy recipes ideas to cook meals from scratch. You will receive 2 recipe ideas a week and they even give you a shopping list of the ingredients needed. Register using the link below

Portion sizes for young children are also very important and we know many children can be put off from trying food if there is too much offered on their plate. The British Nutrition Foundation has produced guidance on appropriate sized portions and the range of food recommended for young children can be found using the link below

**Tooth brushing** — Last term we launched our tooth brushing programme where children have taken part in a range of activities as they learn about the importance of good oral hygiene. Those who attend for 30 hours have been supported to brush their teeth at nursery whilst others have received a toothbrush and paste to use at home. The Community Dental Service has produced some helpful guidance on how you can support your child with tooth brushing at home.
